## **6. Activation Services, Creation and Access to Subscriber Account.**

**6.1 Creation and Activation.** In order to activate the Subscriber Account, the Subscriber must make necessary Payments and also communicate its consent, by accepting the terms of the CAF and this Contract. Such consent shall be communicated by the Subscriber by communicating the passcode received by the Subscriber through SMS on the Registered Mobile Number of the Subscriber, with the Installer at the time installation. Such verification by passcode shall be considered as an acceptance by the Subscriber of the CAF and this Contract and it shall be deemed that the Subscriber has accepted delivery of the Company Hardware. The Subscriber shall always provide the Company with accurate, current and complete information of the Subscriber, including in the CAF. The Subscriber shall promptly inform the Company about any change in such information.

**6.2 Subscriber Account and Security.** Upon creation of the Subscriber Account, the Subscriber shall be allotted a Subscriber ID. Company reserves the right to issue a new Subscriber Account or Subscriber ID to the Subscriber from time to time. All transactions between the Company and the Subscriber shall be done through the Subscriber Account. Subscriber is solely responsible for the activity that occurs on the Subscriber Account and registered mobile number (including maintaining the security of login details, passwords, passcodes shared on the registered mobile number) and must immediately notify the Company of any violation of security or unauthorized use of the Subscriber Account or Subscriber ID or registered mobile number. The Company will not be liable for any losses incurred by the Subscriber due to any unauthorized use and Subscriber will be liable for all losses incurred by the Company or others due to such unauthorized use.

**6.3 Transactions.** Subscriber may transact either online by visiting the Company Website, calling the Helpline or by using the short messaging (SMS) facility (if any) or missed call facility (if any) provided by the Company. No financial transaction will be processed by the Company if the Subscriber or any of its Authorised Representatives fails to provide all relevant and correct details as requested by the Company, including details to verify the authenticity of the Subscriber/ Authorised Representative (as the case may be). Company, from time to time, may introduce alternative options to access and transact under the Subscriber Account. The Company reserves the right to withdraw any of the options at any time without prior notice to the Subscriber. The Registered Mobile Number of the Subscriber will be the primary number throughout the Term and the Subscriber shall continue to receive all (a) payment reminder or confirmation messages; (b) confirmations of transactions in connection with the Subscriber Account; and (c) other promotional or service-related messages and transactions in connection with the Subscriber Account. Upon providing the Registered Mobile Number, the Subscriber shall deem to have consented to receive such messages.

**6.4 Helpline.** Calls by the Subscriber or the Authorized Representative from Registered Mobile Numbers and/or Registered Telephone Number and/or Additional Registered Number, will be identified by the Helpline. The Company reserves the right to ask questions to verify the identity of the caller. If calls are made from an unregistered number, the Company may seek verification details in accordance with a verification process. Upon identification of the Subscriber Account, the Subscriber may be given an option to de-register the existing number and replace it with the new number. The Company reserves the right to monitor and record the calls made by the Subscriber to the Company.

**6.5 Authorised Representative.** The Subscriber, at its sole discretion and risk, may share the Subscriber ID with its Authorised Representative. The Authorised Representative must meet the Eligibility Criteria mentioned above in Clause 1. The Subscriber acknowledges and agrees that by taking any actions or allowing any actions to be taken on behalf of the Subscriber by the Authorised Representative, including without limitation, selecting a Package, accepting the Service and signing the CAF, the Subscriber accepts to be bound by the terms and conditions of this Subscription Contract.

## **7. Setup, Installation and Relocation.**

**7.1 Company Hardware.** Service is only compatible with the Company Hardware and the Subscriber is informed that the Service cannot be operated or availed by the Subscriber without the Company Hardware. Company will install a suitable Company Hardware for Subscriber at his/her Address to facilitate provision of and use of the Services. To use the Company Hardware, the Subscriber will need compatible Incidental Accessories such as television sets and/or services of third party for Installation (for example, technician or electrician). Company

will endeavour to inform the Subscriber in advance if such services are required during the Installation. Company shall not be responsible for actions of any such third-party service provider of the Subscriber.

**7.2 Incidental Accessories and services.** The Subscriber shall be solely responsible to ensure compatibility of the Incidental Accessories and services with the Company Hardware. The Subscriber shall ensure that the Incidental Accessories and services meet the system requirements of the Company Hardware. The Company does not warrant or accept any responsibility for operation of the Incidental Accessories and services.

**7.3 Delivery and Installation of the Company Hardware.** Company Hardware will be delivered and installed at the Address. Installation will take place at a time convenient to both, the Subscriber and the Company. Company will make reasonable efforts to arrange for an Installer to perform Installation on the date and at the time requested by the Subscriber. Installation shall be done only in the presence of Subscriber or the Authorised Representative. At the time of the Installation, the Company may require the Subscriber to submit copies to verify the information provided to the Company. Identification proof could include photo identification proof such as ration card, passport. If the Subscriber is interested to reschedule the installation time, the Subscriber must inform the Company by contacting the Helpline at least forty-eight (48) hours prior to the scheduled Installation. Company Hardware will be installed at the Address only upon Subscriber or the Authorised Representative making necessary payments and presenting the passcode received by Subscriber as more particularly detailed in clause 6.1.

**7.4 Charges for Installation.** Subscriber shall be responsible to pay the Installation Charges charged by the Company, as per existing tariff.

**7.5 Permissions for Installations.** By fixing the date and time of Installation, it shall be deemed to be construed that the Subscriber has granted the Company to do the installation activities. Prior to scheduling the Installation, the Subscriber needs to obtain the necessary permission(s) or authorisation(s) required for installation at the Installation Address including the requisite permission(s) or authorisation(s) to access any common (or third party) property for the purpose. Subscriber shall be solely responsible to resolve all third-party objections raised during Installation. Subscriber must ensure that Installers of the Company can safely access the location for Installation including any common (or third party) area and carry out the Installation in a safe and peaceful manner. If the Subscriber is a resident of a Multi Dwelling Unit, Subscriber must give his/her MDU Consent as stated in the CAF.

**7.6 Inability to Install.** Company shall not be responsible in any manner whatsoever under this Contract, if the Installation has not been performed or completed or cannot be performed because (i) any necessary permission(s) or authorisation(s) have not been obtained or are withdrawn; or (ii) the Subscriber or Authorised Representative are not present at the appointed time or (iii) the Subscriber has failed to furnish documents as may be required by the Company or (iv) for reasons attributed to the Subscriber including non-availability of Incidental Accessories and services including third-party services such as electrician needed for Installation or (v) of any other Force Majeure. Company may consult the Subscriber on matters regarding Installation, however, the decision-making authority on all Installation matters shall solely vest with the Company given the expertise that the Company has in connection thereto.

**7.7 Relocation of Services.** Company allows its Subscriber to change the Installation Address for provision of the Services to another residence, office or location of the Subscriber within the selected geographical area or locations where the Services are provided by the Company. If the Subscriber is interested to change the Address, the Subscriber must inform the Company by contacting the Helpline and booking a Relocation Work Order by giving the Helpline details of the new Address. Subscriber will be informed about the procedure and the applicable charges, as fixed by the Company, from time to time. Company shall not refund any amount to the Subscriber if he/she wishes to relocate or shift to locations where the Services are not provided by the Company. Additionally, the Company does not guarantee that the Service can be provided at the new Address or that the Subscriber will receive the Service at the new Address, even if such Services are provided in that location and/or area. Installation at the new Address will be subject to the terms and conditions applicable in connection with the Installation Services, including submission of valid proof of the new Address and/or such other information and document that may be required by the Company. In case the Subscriber relocates on his / her own without using the services of the Company, then the Company shall have the right to suspend the maintenance privileges of the Subscriber.

## **8. Company Hardware.**

**8.1 Ownership.** Company Hardware is the property of the Company and is under the full, legal and perpetual ownership and effective control of the Company. Company Hardware has been provided to Subscriber through

a Rental scheme, to facilitate the Subscriber to avail the Services of the Company during the validity of the Contract. As the Company Hardware has been provided through a Rental scheme, it cannot be construed that any rights in the Company Hardware or otherwise of whatsoever nature has been transferred to Subscriber by the Company and the Company shall continue to be the sole and exclusive owner of the Company Hardware. The Company reserves the right to charge CPE Rental including without limitation either on one-time basis, or as advance rent, or in instalments spread over a period of time or for the entire period of use by the Subscriber, at the sole discretion of the Company, and the same shall be specified in the respective CPE schemes, offered from time to time.

**8.2 Digi Card.** Subscriber must not take the Digi Card out of the Set Top Box. Subscriber must not allow anyone else to otherwise tamper with or use the Digi Card in any manner not specifically authorised by the Company. In order to receive an uninterrupted Service, Subscriber must keep the Digi Card in the Set Top Box and the Set Top Box must be connected to a main power supply and minidish and kept at the standby mode when not in use. If required, Company in its sole discretion shall update the software in the Set Top Box by sending signals to the Set Top Box. Company will deactivate the Digi Card if it is necessary to protect the security of the Company's system or any other part of the Service or if the Company believes the Subscriber is using the Digi Card in a manner which is not authorised.

**8.3 Use.** Subscriber must use the Company Hardware always in conjunction with Company Services and must comply with all manufacturers' instructions and any other reasonable instruction provided by the Company. Company may add to or substitute the Company Hardware as necessary to provide the Services or for other reasons. Subscriber is advised to refer to the manufacturer manual or such other manuals supplied with the Company Hardware concerning installation and safety information and must read all instructions as well as safety and security information before using the Company Hardware. Further, the Company Hardware must be used by the Subscriber in accordance with the guidelines, instructions and other specifications provided to the Subscriber from time to time. All such services catalogues, manuals, booklet issued by the Company from time to time shall be binding on Subscriber. The Subscriber is prohibited from transferring or allowing any other person or entity to use the Company Hardware or creating any encumbrance or third-party claim on the Company Hardware.

**8.4 Incidental Accessories and services including Power Supply.** Subscriber is solely responsible to supply the incidental accessories and services, including power supply. Company will not be liable if any Incidental Accessories and/or services are faulty or incompatible and the loss or inability to use incidental Accessories and/or services shall not absolve the Subscriber from the Subscriber's liability to pay charges on account of the Service and/or the use of the Company Hardware.

**8.5 Maintenance.** Company may provide maintenance in connection with the Company Hardware in accordance with Applicable Law. Company specifically disclaims any statements made indicating that the Company Hardware shall be without any fault or damage including faults or damages resulting from exposure to adverse environmental conditions including excessive moisture and excessive temperatures, damage to the Company Hardware because of Force Majeure. Subscriber must always maintain and keep the Company Hardware in good and useable condition (normal wear and tear excepted) until returned to or collected by the Company. Only the Company is authorised to repair the Company Hardware. The Subscriber must keep the Company Hardware safely and must not remove any marking that identifies the Company Hardware as belonging to the Company. Subscriber must not allow anyone else to otherwise tamper with or use the Company Hardware in any manner not specifically authorised by the Company.

**8.6 No Commitment on Uninterrupted Services.** Tata Sky Service and/or the Company Hardware is supplied by the Company on 'As is and Available' basis. Company does not guarantee that the services will be uninterrupted error-free or free from computer viruses, or harmful components. The Company hereby disclaims all warranties and conditions with respect to the Service or the Company Hardware. The Company makes no guarantee that the functionality of, features contained in, or services accessed from, performed by, displayed on or linked to from, the Services/ or the Company Hardware will meet the Subscriber's requirements, or that defects in the Services will be corrected.

**8.8 Replacement.** Company may from time to time, for any reason, replace the Company Hardware or any component thereof. Subscriber shall cooperate with the Company in the replacement of the Company Hardware or any component thereof. Company will notify the Subscriber of the details for the process of replacing the Company Hardware or any component thereof. If the Subscriber requires replacement of the Company Hardware or any component thereof within the period of their Company Hardware maintenance period (if any given by the Company), the Subscriber is entitled to a free replacement of the Company Hardware provided the original

Company Hardware is (i) confirmed by the technical support of the Company to be faulty (ii) this fault is confirmed as not caused by the Subscriber and (iii) the original Company Hardware is confirmed as returned by the Company. If either of the foregoing conditions is not met, then the Company reserves the right to replace the Company Hardware at a charge. Further, if the Subscriber wants a replacement from the Company outside the Service Commitment, a charge may apply.

**8.9 Repossession.** In the event of disconnection, it shall be the responsibility of the Customer to return the Company Hardware to the Company as per the existing return policy of the Company. Notwithstanding the foregoing, Company reserves the right to repossess the Company Hardware and/or claim damages from Subscriber if the Company Hardware is (i) stolen or lost (ii) damaged or (iii) used unauthorized (iv) not returned by the Subscriber upon cancellation, deactivation or completion of the Term or at the instruction of the Company. Non-exercise by the Company, of this right of re-possession, does not operate as a waiver on the part of the Company, from exercising this right. Subscriber undertakes to return the Company Hardware immediately on temporary suspension of service or disconnection for any reason. Subscriber shall not claim any interest, charge or lien on the Company Hardware, even if any dispute is pending for resolution between the Subscriber and the Company.

**8.10 Anti-piracy.** Piracy is a criminal offence under law and reproduction, distribution, publication, copying, downloading or exploitation of any Company Hardware or the content transmitted through the Company Hardware is strictly discouraged by the Company. In furtherance to this intent, Company, with or without notification to the Subscriber, may deploy security measures to detect piracy or any unlawful activity that may be conducted in association to the Services or the Company Hardware provided by the Company. These security measures could include without limitation fingerprinting mechanism and monitoring of all activities connected to the service including usage of the Services or the Company Hardware under this Contract. Company reserves the right to enter the premises to inspect and audit the premises without any prior notification. Company has the right to immediately deactivate, cancel and terminate the Service and/or this Contract and/or repossess the Company Hardware including any connected devices, information or documents. The foregoing rights shall be in addition to all the other rights that the Company may have under the law including without limitation initiating proceedings including legal proceedings, sharing information with the enforcement agencies.

**8.11 Inspection, Suspension and Repossession.** Company, without any prior notification and during reasonable hours permitted under the law any time during the Term of the Contract, may enter the Address, or such other locations where the Services are availed by the Subscriber, to inspect and verify if the Subscriber is in compliance with the Contract. Company shall be entitled to take photographs and collect documents, materials, equipment or other information necessary as proof of any violation of the Contract or intellectual property rights of any party.

**11.4** To comply with all Applicable Laws, including all the directions issued by the Company related to the network, service, equipment, or connected matters and shall provide all information and co-operation to the Company from time to time.

## **12. Deactivation, suspension, termination, and reactivation.**

### **12.1 By Subscriber.**

**12.1.1 Deactivation of a particular Service.** Company allows its Subscriber to make a request to the Company to deactivate a requested particular Service (such as A-la-Carte Channel or a Package or a Platform Service or any other associated Service), from the subscription of the Subscriber. A request for deactivation of a particular Service can be made by the Subscriber by calling the Helpline Number or any such options that may be provided by the Company from time to time. However, the Company reserves the right to refuse such deactivation request if the subscription of that particular Service is within the lock-in period which was declared by the Company on the Company Website.

**12.1.2 Suspension of a particular Service.** Company allows its Subscriber to make a request to the Company to suspend all the Service availed by the Subscriber for a temporary period. Only Subscribers who have an Active Account Status with the Company can opt for the Temporary Suspension Facility. Subscriber must visit the Company Website for the latest policy to avail the facility of Temporary Suspension Services provided by the Company.

**12.1.3 Termination of all the Service.** Subscriber may cancel or completely discontinue availing all the Services provided by the Company by contacting the Company. However, the Company reserves the right to refuse such deactivation request if the subscription of any of the Service is within the lock-in period which was declared by the Company on the Company Website. In such an instance the Company reserves the right to make the cancellation request made by the Subscriber, effective from the date on which such lock-in period comes to an end. In case of a complete discontinuation of the Service, the Subscription Contract shall automatically stand terminated from the date of cancellation or discontinuation of that Services and Subscriber shall immediately return to the Company all the Company Hardware that the Subscriber may have in its possession.

**12.2 By the Company.** Company reserves the right, without notice or any liability whatsoever to the Subscriber, to interrupt, deactivate, suspend, cancel, modify, or terminate any Services supplied to the Subscriber or deactivate the Subscriber Account if such action is deemed necessary by the Company (i) under any law or is requested by any competent authority; (ii) non-payment by the Subscriber or failure by the Subscriber to maintain the Minimum Account Balance (iii) for unauthorised use of the Services by the Subscriber, (iv) for technical, maintenance, security or failure or degradation of any facilities, equipment or systems used to provide the Service; (v) to combat any acts of piracy, fraud or misuse of the Service; (vi) due to any act beyond the control of the Company; (vii) for any legitimate business purpose; or (viii) for reasons of threat to national interest, or in the event of emergency, such as, war or similar situation or if the services or content is anti-national, promotes political / religious propaganda, against public policy, banned or restricted from being distributed under any Applicable Laws or the Company otherwise determines that it is objectionable or obscene or derogatory to any person or class of persons or hurts the religious sentiments of any religious group or infringes the privacy rights of any individual or is not in the interest of subscribers or the general public. In the event of an interruption, suspension or deactivation of the Service, the Company may, at its discretion, reactivate the Service, subject to any conditions that the Company may impose from time to time.

**12.3 Reactivation.** Company reserves the right to reactivate any suspended, cancelled or deactivated Subscriber Account at its sole discretion, subject to Applicable Law. Upon reactivation, the Company may in addition to charging reactivation fees, deduct the expenses, charges and/or penalties that the Company may deem fit, subject to Applicable Law. These additional charges shall be debited from the Subscriber Account or separately recovered from the Subscriber at the option of the Company.

**12.4 Consequence.** Any deactivation or termination of the Service hereunder will be made applicable to all Digicards across all Set Top Boxes covered under a Subscriber Account. Any deactivation or cancellation of the Service shall be affected by deactivation or cancellation of the Digicard. Deactivation, suspension or termination shall be without prejudice to any other rights or remedies a Party may be entitled to in law or under the Contract and shall not affect any accrued rights or liabilities of either Party nor the coming into force or the continuance in force of any provision of the Contract, which is expressly or by implication intended to come into or continue in force on or after such termination.

### **13. General Provisions.**

**13.1 Intellectual Property Rights.** Subscriber acknowledges and agrees that the Company Hardware, the associated equipment and services, content transmitted through the Company's distribution network, signal, marks, logos embossed or associated with the forgoing and all copyrights, trademarks and other intellectual property rights in connection thereto are the exclusive property of the Company or the Company's third party licensors and the Subscriber shall not do or permit anything to be done to infringe or violate such property rights or titles. The Subscriber shall immediately notify the Company if the Subscriber becomes aware of any unauthorised use of the whole or any part of the intellectual property rights of the Company, including, that related to the Services, the Content transmitted through the Company's distribution network, Company Hardware, or and the associated equipment and services.

The Company may use information from the Subscriber or Authorized Representative for the above purposes if it deems it necessary to do so for its legitimate business interests.

**13.3 Records and Sharing of Information.** Company (or any of its business associates) shall be entitled to store, transfer, process and/or retain all the information relating to the Subscriber and/or Authorized Representative, including all information shared by the Subscriber and/or Authorized Representative, Transaction Details, in India or outside in India, as long as necessary to provide access to, and use of the services of the Company, use of the Company Website and for other essential purposes such as complying with its legal obligations, enforcing its agreements, final disposal of a complaint or dispute and/or as prescribed by Applicable Law, provided, however that after deletion of data, some data may continue persist on backup or archival media for audit, tax, legal or regulatory purposes. Company reserves the right to share information about the Subscriber (including personally identifiable information and viewing trends) with third parties with a legitimate business interest including, (i) performing marketing, administration or other services including technical support; (ii) administering and processing requests; (iii) assisting in product development, research, strategic, financial or other business decisions; (iv) collecting patterns and conduct analysis, market research, analysis of group statistical patterns of the Subscribers to understand trends and patterns; (vi) obtaining professional advice including, enforcement of legal terms, prevention of fraud etc.; (vii) responding to proceedings (including legal, e.g., in response to a court order or a subpoena) or disclosing information upon request of law enforcement agencies.

**13.4 Third Party Rights.** Subscriber shall not violate any third-party rights. Subscriber shall not make any public statement or media statement connected to the Company or its affiliate or group company or in relation to the services.

**13.5 Force Majeure.** The Company will not be responsible or liable in any way for the failure or delay in the performance of its obligations due to Force Majeure. If a Force Majeure ceases to exist, the Company may perform or resume performance of its obligations and the time for performance will be extended by a period equal to the duration of the Force Majeure. Reasonable efforts shall be made to minimise such service disruptions. If Force Majeure persists, the Company will be entitled to terminate the Contract on written notice. The Subscriber shall remain liable for all charges during any such disruptions, unless decided otherwise by the Company.

**13.6 Disclaimer and Limitation of liability.**

**13.6.1** The Company makes no express or implied warranties, guarantees, representations or undertakings whatsoever regarding the Services/ equipment etc., unless expressly mentioned in the Contract. The Company specifically disclaims any statements indicating that the Company Hardware shall be without any fault or damage, including faults or damages resulting from exposure to adverse environmental conditions, including excessive moisture and excessive temperatures or damage to the Company Hardware on account of Force Majeure.

**13.6.2** Subscriber availing any of the services supplied by the Company shall be at the sole risk, costs, charges and consequences of the Subscriber. Company, its affiliates, group companies, their officers, directors, employees, subcontractors, exclude all warranties, express or implied, in connection with the Services, including the use, accuracy, fitness for purpose, merchantability, completeness of the Services, suspension or cessation of the Services, any fraud, misrepresentation, negligence or loss that may be caused to the Subscriber or any third party in connection therewith. Company shall not be responsible for any deficiency in Services, delay and/or disruption in Services attributable, directly or indirectly, damage to property or person that may take place during or in connection with any Installations, any loss incurred to the Subscriber or any third party resulting from the use of the Services or any omission or, consequential or indirect damages or losses. The liability of the Company will be limited to only proven direct damages or losses incurred by the Subscriber or any third party and the Company's liability shall not exceed the Subscription Fee paid by the Subscriber for the Service in the six (6) months immediately preceding the specific event that gave rise to such damage or loss.

**13.6.3** Company shall not be liable to the Subscriber and/or any person, firm, body corporate claiming through, under or in trust for the Subscriber and the Subscriber hereby waives all claims/actions of any delays or losses, including, but not limited to, loss of business, profit, revenue or goodwill demands fees, cost expenses, order judgment, etc. or any direct, incidental or consequential losses arising out of any delays, interruption, errors of defects, or failure to provide any part of the DTH Services including, without limitation, in the event that such error, interruption or delay arises in connection with any of the following: (i) the termination or Company's access to all or any portion of content/Channels; (ii) the relocation of all or any portion of the Services to different satellite(s); (iii) a change in the software, applications, features and/or functionalities available with your equipment; (iv) any software or other downloads initiated by us; (v) any acts of god, fires, earthquakes, floods, power or technical failure, satellite or uplink failure, acts of any governmental body; or (vi) any cause beyond the reasonable control of the Company. The Subscriber remains solely responsible for his/her negligence, acts or omissions.

**13.6.4** Company shall not be responsible or liable for (i) any acts or omissions of direct sales agents, franchisees or any other third party with respect to schemes or benefits which are not authorized by the Company or which are purported to have been offered on behalf of the Company without the explicit and specific sanction in writing of the Company (ii) any Customer owned equipment including television, mobile, etc. The Installers of the Company are trained to handle only the Company Hardware and its related accessories.
